Redlich, Norman

May 23, 1964.

Dear Chief Justice Warren:

Subject: Staff Appointment -
Warren Commission

The appointment of attorney Redlich to assist the Warren Commission is astounding to those who know this man's convictions.

Mr. Redlich has been defending communists, working in communist front organizations, addressing groups in protest of registration of communists. It is evident he is at the very least a communist sympathizer. His zeal denotes more than that.

We urge attorney Redlich's removal from the staff of the Warren Commission.

Respectfully,

Mr. and Mrs. Howard Blower
